

August 2, 2022

Dear Third Grade Families,

Welcome back to Robins K-8 School! My name is Misty Harry and teaching is all I have ever wanted to do since I was in the 1st grade! I am a native of Tucson, and I have had the pleasure of teaching vibrant scholars in grades K-12 for 22 years. Additionally, I earned my degree in Business Management at the University of Phoenix. It has been my passion and goal to instill a love of lifelong learning in scholars. Surely, it has been rewarding to see all of my scholars grow and as learners.

I am a proud wife and mother of three beautiful girls. I have been dedicated to impart the importance of obtaining an education to my children. During playtime with my children, we love to play school and I am amazed by their individuality. Indeed, I plan to implement this same approach in teaching upcoming scholars at Robins K-8 School.

I am delighted to be a part of this profound movement at Robins. It has always been my mission to create a loving and warm learning environment, which would provide the countless possibilities in learning, which will encourage scholars to take pride in applying their talents in the classroom.

I have a great appreciation for all opportunities to communicate with parents and scholars. As parents, you are their first teachers and it is critical for me to partner up with you, to ensure each scholar's full learning potential.

Communication is essential in this parent/teacher partnership. Please feel free to contact me at any time with any questions or concerns. I can be reached on the Class Dojo app at any time. We will communicate through this app in an effort to communicate effectively throughout the school year. In addition, you are welcome to set up an appointment to meet with me through the Class Dojo app or the front office.

I consider it a great privilege and responsibility to be your child's teacher this year, and look forward to meeting each of you.

Warm Regards,

Misty Harry
3rd Grade Teacher
