

WELCOME TO RESOURCE SUPPORT

WELCOME BACK TO ROBINS K8.

My name is Ms. Carrera.

I have been teaching special education since 2013.

I really enjoy helping scholars grow and learn.

One of my favorite quotes

“You learn something new everyday”.

I have a cat by the name of Belle Rose. She is a rescue kitty that has a fun and mischievous personality.

I am the oldest of six sisters and brothers.

My hobbies are cleaning, gardening, second hand shopping, reading mystery and romantic books.

This is my second year with Robins K8. We will have fun while learning and working on your individual goals.
