

Ms. Ramirez

3rd Grade Teacher

About the Classroom

Hello students, I am excited to be one of your teachers this year! Together with Mrs. Fallows, I will be co-teaching this 3rd grade class. Co-teaching allows two teachers to share a single space and work in tandem to make sure that students reach their educational goals. We have been training together to ensure that our classroom promotes student led learning and an integrated arts curriculum.

My Work Experience

I am originally from El Paso, Texas and have lived in Tucson since 2012. Before entering the public sector, I worked as a private art tutor for 5 years. I received my Associates at Pima Community College and I am currently participating in a teacher preparation program with The University of Arizona to obtain my degree in Elementary Education.

Fun Facts About Me

- Drawing is my side hobby. I also love video games (Pokemon is my favorite!) I have two dogs, Jet and Joy
- I speak Japanese and a little bit of Spanish
- I love rubber duckies!
