

# Welcome to 5th Grade!

Hello Roadrunner families! My name is Mr. Werner and I'm super excited for the opportunity to join the 5th Grade team at Robins K-8 School! I recently moved back to Tucson at the end of last year from Albuquerque, New Mexico where most of my family still lives. I currently live in Tucson near the U of A with my dog Bronx. We both love to stay active and be outdoors! I'm excited to get to know all of you. I'll share a little about myself first!

I graduated from the U of A in 2017 with my Bachelor of Arts degree in Rehabilitation through the College of Education. I then went back to Albuquerque and completed my Master of Arts degree in Rehabilitation Counseling through New Mexico Highlands University. After graduate school, I worked as a counselor for adults with disabilities, helping them further their educational and vocational goals. My goal has always been to work with children and I am grateful for the opportunity to work here at Robins.

I believe that we can foster an environment of success for your student with great communication, teamwork, and respect. I hope to work with you in order to benefit your student and further their academic success. I am an open resource for you and am here for you.

I look forward to getting to know your student and help them to grow, learn, and have the skills they need to succeed.
