

Ms. Ramirez's Classroom Supply List

My classroom uses a shared supplies system. Student tables have a single supply box that students take supplies from to ensure that they all have equal access.

Students will only have access to their personal supplies during crafts and coloring. Any optional personal supplies needs to be able to fit into a pencil box. **Please write your student's name on these.**

Please do not bring in supplies that are not on the list, they will be sent back home with your student.
